

SPRING SUMMER 2025

WHAT WE STAND FOR

From day one, we've been a manufacturer.

We made for the makers then and we make for them now; creating goods as hard-working and honest as the people who wear them.

We make for the mechanics, the skaters, the carpenters, and the artists.

A diverse community of makers each following their own path but united in their commitment to turn ideas into reality.

We make for them so they can make their mark.
